Dear Parents,

The Annual Sefer Hamitzvos Competition is the response to the Lubavitcher Rebbe's request to unite Yidden through the study of the 613 Mitzvos of the Torah. The Rebbe repeatedly emphasized that this effort will hasten the coming of Moshiach.

This year, over 4,000 students from 96 schools worldwide have studied Rambam's Sefer Hamitzvos. By participating and excelling in a series of preliminary tests, 150 finalists earned a place in the International Championships to be held right here in Crown Heights.

It is our great pleasure to invite the Crown Heights community to join in this important event. As mechanchim, we work hard to strengthen the commitment and instill enthusiasm towards limud hatorah and hiskashrus. The Chidon Sefer Hamitzvos is our chance as mechanchim, as parents and as friends to show our children that we stand behind them and value their accomplishments.

The Annual Chidon Championship is a magnificent event with inspiring entertainment. Each year we receive feedback from our host cities about the tremendous Kiddush Hashem and Kiddush Shem - Lubavitch created by the Chidon.

We strongly encourage each and every Talmid (in 5th - 8th grades) to participate in this special event. To show the importance, the Mosdos are subsidizing half of each child's ticket, which brings down the cost to only \$5 per child.

We are also encouraging the children to sell tickets to their parents, friends and family. For every ticket the children sell, they will receive an additional entry to a grand raffle.

On behalf of the Rebbe, our Talmidim, our future, please show your support for Limud HaTorah and Achdus by attending this sure-to-be-memorable event.

We look forward to welcoming you, and may we merit celebrating the Chidon in Yerushalayim with Moshiach!

Sincerely,
