## OPERATION: REALITY CHECK

### - Theme Songs -

#### 1) *Win. Win. Team of Havana (Blow their Minds)*

*General Shmuly Tevvel  
T.T.T.O. Machnisei Rachamim - Sh. Simcha  
Lyrics by Levi Autzon*

Many years have gone by,  
your holy face, concealed,  
Leaving but a distant memory.  
Sichos at a rally,  
The greatest smile that can be,  
It feels like a part of history.

To feel that you're my Tatty,  
That every good deed that I do,  
Is watched with care and influenced by you.  
So hard for me to feel it  
as my eyes do not yet see,  
How you are here, doing everything with me.

#### **Chorus:**

***Yet! Although that the pain is so great,  
We are striving, but how long must we wait.  
Rebbe I'll give it all I've got,  
To strengthen the eternal knot,  
That ties me and every Yid to you.***

***We cry, "Yechi Hamelech!" to you our king,  
To give you nachas is our entire being.***

*4 | Camp Bnei Menachem Official Song Booklet - 5764*

*Rebbe we gave it all we've got,  
To strengthen the eternal knot,  
Now we'll see you, dear Rebbe, once again.*

*Melody*

**2) Win. Team of Hachana (Rock Their World!)**

*General Levi Wilschanski  
T.T.T.O. It Happened Yom Kippur  
Lyrics by Levi Rapoport*

Dear Berel I write to answer your question,  
How does a chossid prepare for Redemption?  
What did the Rebbe mean when he said to us  
עמדו הֵכֵן כּוֹלְכֵם?

The drive of a chossid – a burning de-si-re,  
His eyes to behold the Mikdash of fi-re.  
The glow on his face, the avir he makes,  
Is Hinei Moshiach Ba.

Each action must show the message he's sending,  
Moshiach is coming; this golus is ending.  
Each time we daven, we must demand  
That he gather us back to our land.

The Mitzvos we do, each possuk of Torah.  
This is our goal, our drive for Avodah.  
“Mission accomplished”, we'll say to our Rebbe,  
Soon, B'ezras Hashem.

### 3) *Win. Win. Team of Goidel Hazechus (Got it All!)*

General Leibelovitch  
T.T.T.O. Hinei Anochi – D'veikus  
Lyrics by Leibelovitch

Sitting alone, a picture in hand,  
A smile so warming, so caring I feel.  
Reflecting a time, it's not long ago,  
The moment you lit up my life.

A wave that you gave me, the kiss that you sent,  
I felt just so special and proud as can be.  
A connection to you, inspiring me,  
To make me be what I am.

#### **Chorus:**

***Rebbe! I thank you for all that you give me,  
A zechus to be your child, so dear.  
The chossid you've made me, I'm so proud to be,  
With pride I stand tall, for the Rebbe chose me.***

***How lucky we are to be called, "Bnei Menachem",  
Inherent in us – forever to stay.  
Ashreinu Ma Tov, we'll say to you Rebbe!  
As we all march, with you at our lead.***

***Rebbe! We thank you for all that you give us,  
A zechus to be your child, so dear.***

*6 | Camp Bnei Menachem Official Song Booklet - 5764*

*The chossid you've made us, we're so proud to be,  
With pride we stand tall, with you at our lead.*

*4) Win. Team of Goidel Ha'achrayus (Get the Job Done!)*

*General Shmuli Turk  
T.T.T.O. Ani Ma'amin - MBC  
Lyrics by Shmuli Turk*

Young Shmulik sits back on his chair,  
Unpleasantness flows through the air,  
thinking of the attitude of his brothers.

Why tzitzis every night?  
Davening with all of my might,  
Why must I be different than the others?

*Chorus:*

*The Rebbe's chossid I strive to be,  
And it comes with an achrayus.  
What the Rebbe wants and expects from me  
Is my priority.*

*Now I understand.  
Now I understand.*

*Chorus*

### 5) *Win. Win. Team of Goidel Hazechus (Got it All!)*

*General Leibelovitch*

*T.T.T.O. A Small Piece of Heaven - HASC*

*Lyrics by Leibelovitch*

Some people wonder,  
Why I came to camp,  
Where the scene's so serene and the sky's so camp-blue.

Where everyone's smiling,  
Cheers heard through the air,  
A pool so refreshing, an experience so rare.

But no my dear friends,  
It's much more I tell you,  
It's something much deeper, so real and so true.

Yes the sports here are great,  
I do love my bunkmates,  
But it something so special, I'm just not the same!

*It's the chayus of benching, the cries of Yechi!*  
*A feeling instilled within me.*  
*To live with Moshiach in all that I do,*  
*Rebbe! It's all thanks to you!*

*It's the sense of great pride of being chosen by you,*  
*Ashreinu Ma Tov Chel-kei-nu!*

*8 | Camp Bnei Menachem Official Song Booklet - 5764*

*To be with you Rebbe, forever again,  
Yechi Hamelech! Le'Olam Vo'ed!*

And now my dear friends,  
It's time now to go,  
It's that time to pack up all your stuff to go home.

The summer we've had,  
To leave it's so sad,  
The memories will surely last you all year long.

But worry not friends,  
Although leave we must all,  
The inspiration of camp, please do take along.

Soon you'll meet some new friends,  
And swim once again,  
For Camp Bnei Menachem will be back next year!

***Chorus***

***6) Win. Team of Goidel Ha'achrayus (Get the Job Done!)***

*General Shmuli Turk  
T.T.T.O. HaRabbi Shlit"a  
Lyrics by Levi Avtzon*

The school year's almost over,  
The summer's coming closer,  
My dilemma's getting stronger every day.

*9 | Camp Bnei Menachem Official Song Booklet - 5764*

Which camp is the right one,  
With sports and lots of fun,  
Where I'll rise in the ranks of the Rebbe's army.

Sitting in my classroom,  
Discussing with my friends  
Trying to decide which is the one.  
About to give up trying,  
I look up at your picture,  
And then realization does hit me.

Yes! There's one camp in the world that's just for me,  
That will bring out all that I can be.  
With Moshiach I will live,  
Lots of nachas I will give,  
To my Rebbe who cares so much for me.

I will grow and I will shine,  
I'll make him proud all the time.  
Thank you Rebbe once again  
for the best summer you gave,  
Thank you for Bnei Menache-m!

## AVINU MALKEINU WAR

- Hatamim Theme Songs -

### 7) *Winning Team of Da'as Tachtan*

*General Mendy Fuchs  
T.T.T.O. V'na al Tatzricheinu – Y. Shwekey  
Lyrics by Levi Autzon*

As Golus stretches for so long,  
The nisyonos grow so strong.  
We must do all we can to last,  
Our Yiddishkeit must remain steadfast.

What's demanded is mesiras nefesh,  
To give ourselves for the Rebbe  
Bringing out the Jewish spark within,  
through connecting everyone to him.

#### **Chorus:**

***The entire world is just for you,**  
**To make you proud is why I do**  
**Everything you asked from me,**  
**Permeating my whole life through.**  
**To see you now is our goal,**  
**To see you smile at us all,**  
**Oh Hashem, won't you heed my call?***

***That we see our father right away,**  
**To serve our king the proper way.**  
**Oy, Yechi Hamelech!**  
**We cry and scream three times a day.**  
**I'll do all that you asked from me,***

*Much more than my ability,  
And make your dream a true reality.*

*That we see...*

### **8) *Winning Team of Da'as Elyon***

*General Chaim Stern  
T.T.T.O. Bilevovi – London School of Jewish Song  
Lyrics by Levi Avtzon*

Waving his hand and smiling,  
To a little boy walking by.  
Standing for hours and pouring  
A precious blessing of wine.

Never takes a vacation,  
Giving us all that we need.  
We must do all we can to reveal him,  
We're promised that we will succeed.

#### ***Chorus:***

*I never did see your holy face,  
And the cup of wine isn't mine  
Hashem, Ad Mosai how long must we wait  
To see our Rebbe's warm smile.*

*Avinu Malkeinu I love you so much,  
How can I thank you at all.  
"Tut altz vos ier kent"; we'll do all we can,  
Fulfilling your ultimate goal.*

## HATAMIM CLASSICS

- Alma Maters -

### 9) Hatamim Alma Mater 5764

*Original Composition by Rabbi Dovid Kahanov*

*Lyrics by Levi Avtzon*

Dear Rebbe, I write you a letter.  
Time has come the summer is over.  
I'll sum it up in a few little words.

I never dreamt to have such a feel,  
Not long ago it all wasn't real.  
Now Rebbe you're the focus of my life.

*So I thank you again for a summer so great,  
The trips with no rain, many lessons I gained.  
The coldness did melt as the simcha was felt,  
Forever it made an effect.*

*That the Rebbe is here was felt everywhere,  
With the feeling of pride I'll break through the tide.  
That all what I do means so much to you.  
I feel like a man born anew.*

10) *Hatamim Alma Mater 5763*

*Original Composition by Rabbi Dovid Kahanov  
Lyrics by Rabbi Dovid Kahanov & Abi Richler*

Pausing for a moment, alone,  
As I prepare for my journey back home.  
Reflecting upon all the new things I've learned,  
I changed person I have become.

It's just like finding your way,  
Like when a dark night turns into day.  
Deep down I feel to whom the real thanks is due;  
Rebbe, I've come to know you.

***I am a Tomim,***  
***I suddenly call out aloud***  
***I am what I was born to be,***  
***Rebbe, I hope you are proud.***

***I am a Tomim,***  
***The meaning of this I now know.***  
***It's me who Moshiach was waiting for,***  
***This is my true journey home!***

***I am a Tomim...***

## POPULAR & NEW CAMP SONGS

### 11) *Besuros Tovos*

*Original Composition by Leibelovitch*

*Sung at the "Kol Tzfardeya Boys Choir" & sung by E. Goodman*

A Chossid, to his Rebbe he does cry.  
"I beg of you, please do listen to my plight.  
My child, so sick, he's about to pass away.  
Return him back to health, please do pray."

The Rebbe - a warm smile on his face,  
"Please don't worry as for G-d, nothing is too late.  
Just check the mezuzah you'll find hanging on his door;  
I give you my blessing that all will be fine and well."

But as much as the Rebbe cares for me and you,  
helping us all in our hour of sorrow and need.  
He does yearns for our letters of kindness and of good,  
giving over Besuros Tovos to our Rebbe we hold so dear!

#### ***Chorus:***

***For the Rebbe cares for every Jew,  
and he cares about all the good things that we do.  
So as a Chossid to his Rebbe,  
let us strive together as one,  
to give the Rebbe nachas in all we do! (2x)***

Mendel, as he gets up from his sleep,  
his hands together and says, "Modeh Ani".  
Boruch Chaim is Davening, with Kavonoh he does pray,  
every word, so slowly and clearly, he does say.

## *15 | Camp Bnei Menachem Official Song Booklet - 5764*

Sruly goes to mikvah every day.  
Mivtzoim every Friday, that's his way  
to say, "thank-you dear Rebbe, for all that you have done,  
by making us better Chassidim, one by one."

And as we await his coming, every single day,  
we'll continue with our mission,  
going higher a chossid's way.  
And with the Beruros Tovos that we give,  
our Rebbe we'll soon see,  
As Melech HaMoshiach, revealed speedily!

### ***Chorus***

And as the chossid returns from work,  
on a bright breezy summers' day,  
Young Yossi greets him home  
and with excitement he does say,  
"Tatty, we got a letter! An answer from the Rebbe,  
thanking us for the good news; so much it meant to him!"

### ***Chorus***

## ***12) The Tefillin Rap***

*Original Composition by Shloime S.*

Growing up in Brooklyn as a young child,  
I noticed something new that really struck me wild.  
I would watch my father as he'd start off his day,  
he would say short prayer in very special way...

*He did... The Tefillin Rap (x4)*

So as I grew up I was extremely cool,  
I wouldn't be found in a Yeshivah or a shul.  
I'm gonna be honest and blunt with you,  
there's just one thing I would never do...

*And that's... The Tefillin Rap (x4)*

So while touring Prague, wouldn't dream to meet,  
two young Rabbis on the side of the street.  
"Excuse me are you Jewish"  
they asked me with a charm.  
I didn't think twice - I gave them my arm...

*We did... The Tefillin Rap (x4)*

So I made up my mind on that cobblestone street,  
It is about time I gave my soul a treat.  
I couldn't care less what my friends will say.  
For the rest of my life, every single day...

*I'll do... The Tefillin Rap (x4)*

Look at what a visit to Prague can do to you,  
Ever since then I'm a growing Jew.  
So I'll give you some advice: don't be a fool.  
If you wanna be cool, visit a shul...

*And do... The Tefillin Rap (x4)*

### 13) *The Night Activity Song*

*T.T.T.O. Uva'u Ha'ovdim – MBD*

*Lyrics by Shuruk & Melupum*

Everybody is excited,  
Bnei Menachem is delighted,  
All the campers are united,  
For night activity!

Shuruk and Melupum,  
And everybody say, “Ooh!”  
Ooh! Ooh! Ooh! Ooh! Ooh! Ooh!  
Ooh! Ooh! Ooh! Ooh! Ooh!

Gei faif avek, we tell the Yetzer Horah.  
'Cause Bnei Menachem is one mishpacha.  
At night activity we have a lot of achdus,  
For to the Rebbe we have an hiskashrus.

Yechi Adoneinu!  
Ooh! Ooh! Ooh!  
Moreinu V'Rabbeinu!  
Ooh! Ooh! Ooh!  
Melech HaMoshiach!  
Ah! Ah! Ah!  
LeOlam Vo'ed!  
Dara ra ram!
